Congratulations Graduate!

The Registrar's Office has communicated to our office that you are eligible to participate in the Ratcliffe Hicks School of Agriculture and College of Agriculture, Health and Natural Resources Commencement Ceremony to be held on Saturday, May 6, 2017 beginning at 6:00 p.m.

Important and helpful information is enclosed and should be consulted at:

You will order your graduation cap and gown from the UConn Bookstore. Graduates will be allowed a total of 10 tickets each for the CAHNR Commencement Ceremony and will be able to pick the tickets up at the UConn Bookstore. If you are in need of additional tickets please email acadprog@uconn.edu and give us your name, cell phone number, and amount of additional tickets you are requesting. As Commencement grows closer we will contact you regarding your request. In the past obtaining extra tickets has not been an issue.

Our reception immediately prior to commencement is a long-standing tradition. We invite you and your family/guests to join us in the North and South Reading Rooms of the Wilbur Cross Building from 3:00 pm-5:00 pm and enjoy the informal atmosphere of celebration; light fare and beverages will be served. You do not need to RSVP for this event.

All graduating students are required to complete a Graduate "First Destination" Survey prior to participating in the CAHNR/RHSA Undergraduate Commencement Ceremony. Please take a moment to complete this survey online versus having to fill out a paper copy the day of Commencement.

We hope that Commencement Day will be a joyful celebration for you, your family, and friends. We are working to make it so and look forward to your participation.

On behalf of our faculty and staff, congratulations on the completion of your studies and best wishes for continued success.

Sincerely,

Cameron Faustman
