

CAHNR Curricula and Courses Committee
Meeting Minutes - Final
1:30 Pm February 19, 2016
WBY 209

I. Welcome - Call to order by Chair Mike Darre Members present: Emma Bojinova, Rhonda Brownbill, Mike Darre, Sal Frasca, Pat Jepson, Gary Kazmer, Tom Meyer, Jon Rizzo, Kristen Schwab, and Lauren Wilson (Excused: Stephanie Mazerolle,)

II. Old Business:

- A.** Zero Credit PLSC internship approved by the senate.
- B.** From the Dec 11, 2015 meeting: The CAHNR CC Committee discussed this at length and decided that the wording should be consistent and should be “taught concurrently” for those ANSC and SAAS, PLSC and SAPL, TURF and SAPL, and HORT and SAPL, courses for which it applies.

Motion Passed CAHNR CC 15-16-75

NOTE: No action should be taken on item CAHNR CC 15-16-75 until the Ratcliff Hicks C&C Committee has had the opportunity to discuss this matter.

Discussion: The Ratcliffe Hicks Committee decided upon “Taught with” as the language to use for the combination of our 4 and 2 years courses. The CAHNR CC committee is also in agreement on this matter.

III. New Business:

- A.** The Department of Animal Science proposes the following:
1. ADD: A section to ANSC 3693 and cross list with PVS 3093 (section xx) Global one Health: Irish and US perspectives. Effective Spring 2016. (Gary and Tom)

Proposed Title and Complete Catalog Copy:

ANSC 3693 (also offered as PVS 3093). Global One Health: Irish and US Perspectives.
Three credits. Prerequisite: open only with instructor consent. Andrew, Bushmich

In this Education Abroad course, we will examine One Health issues surrounding food production and food safety. Methodologies and pertinent regulations regarding animal health, human health, food safety, and environmental health in the United States and the Republic of Ireland (a member of the European Union) will be compared and contrasted. The two agricultural systems chosen to illustrate these interactions are dairy/cheese production and fish farming.

MOTION PASSED CAHNR CC 15-16-76 (One Nay vote)

2. REVISE: ANSC 2271 Principles of Poultry Science. Remove “Field Trips Required” from catalog copy. Effective Spring 2017 (Gary and Tom)

Current Title and Catalog Copy:

ANSC 2271. Principles of Poultry Science. Three credits. Two class periods and one 2-hour laboratory period. Darre

The application of the basic scientific principles to the management of poultry, egg and meat production systems. Field trips are required.

Revised Title and Catalog Copy:

ANSC 2271. Principles of Poultry Science. Three credits. Two class periods and one 2-hour laboratory period. Darre

The application of the basic scientific principles to the management of poultry, egg and meat production systems.

MOTION PASSED CAHNR CC 15-16-77

3. REVISE: ANSC 4697W Undergraduate Honors Thesis Writing in Animal Science. Add ANSC 5692 to prerequisites. Effective Fall 2016 (Gary and Tom)

Current Title and Catalog Copy:

ANSC 4697W. Undergraduate Honors Thesis Writing in Animal Science (297W). One credit. Hours by arrangement. Prerequisite: Three credits of ANSC 2699 which may be taken concurrently; ENGL 1010 or 1011 or 2011; open to juniors or higher; open only with consent of instructor.

Writing of a formal thesis based on independent research conducted by the student. Thesis proposal and final thesis must follow guidelines developed by the department

Revised Title and Catalog Copy:

ANSC 4697W. Undergraduate Honors Thesis Writing in Animal Science (297W). One credit. Hours by arrangement. Prerequisite: Three credits of ANSC 2699 or ANSC 5692 which may be taken concurrently; ENGL 1010 or 1011 or 2011; open to juniors or higher; open only with consent of instructor.

Writing of a formal thesis based on independent research conducted by the student. Thesis proposal and final thesis must follow guidelines developed by the department.

MOTION PASSED CAHNR CC 15-16-78

- B. The Department of Natural Resources and the Environment proposes the following:

1. REVISE NRE 3000 Human Dimensions of Natural Resources. Change the catalog description. Effective Fall 2016 (Tom and Sal)

Existing title and complete catalog copy

NRE 3000: Human Dimensions of Natural Resources. Three credits. Open to juniors or higher Morzillo

Leadership, management, and workplace skills in professional natural resources management in governmental and nonprofit sectors. Public policy and administration, strategic collaboration and networks, organizational leadership, and conflict resolution will be covered.

Revised Title Catalog Copy

NRE 3000: Human Dimensions of Natural Resources. Three credits. Open to juniors or higher; open only with consent of instructor. *Morzillo*

Understanding the diverse perspectives of stakeholder groups involved in natural resources management. Analysis of decision-making behaviors based on social,

psychological, and motivational factors; communication tools for working with stakeholder groups; and conflict resolution will be covered.

MOTION PASSED CAHNR CC 15-16-79

IV. Report from Academic Programs:

1. There is a new website design for AGNR.
2. Advisor holds are pre-set in the system based on what departmental needs are. These can be changed if the pre-set currently in place is not what is desired. Contact Dr. Pat Jepson
3. For the On-Line Plan of Study, there is now an opportunity to add an attachment, such as courses to be used for the 36 credits of the major, or clarifying info about the students plan. Make sure your advisees understand how to use the system.
4. Pat is planning on holding another advisor workshop soon. More to follow.

V. Other Business: None

VI. Time and Place of next meeting. March 4, 2016, 1:30 pm 209 WBY

VII. Adjourn 2:40 pm
