MOTION PASSED CAHNR CC 15-16-25

**IV. Report from Academic Programs:**

- A.** The Online Final Plan of study is now ready for use. Students in CAHNR are encouraged to fill out the form as soon after they pre-register for their final semester of classes as possible. Advisors will have the opportunity to approve 2000 level and above courses for inclusion into the 36 credits for the major once it is completed by the students. Advisors need to go to Student Admin and look at their list of Advisees and see if they have completed their part of the form.
- B.** Make sure that people at the departmental level thoroughly review catalog copy to make sure all approved courses are listed and the CAHNR is properly listed in place of CANR in the text.
- C.** Someone from the CAHNR Office of Academic Programs (probably Pat Jepson) will come to department meetings and discuss some of the academic policies, especially those relating to course substitutions and transfer credits.

- D. Pat suggested we have someone from ITL or E-Campus come to one of our C&C meetings and discuss how online/hybrid course are developed and evaluated.

**V. Other Business: None:**

**VI. Time and Place of next meeting. Oct 16, 2015 209 WBY**

**VII. Adjourn:** The meeting was adjourned at 2:15 pm
