D. Other Departmental Business.

G. Elliott reported on proposed changes in the Ag Biotech minor. A Curriculum Action Request is in progress to add a new course, PLSC 3xxx Molecular Laboratory Technology, to satisfy the Group A requirement. PLSC 3990 Field Study Internship has been proposed as an option to include among the Group C requirements. Participating departments will need to review the courses listed in Group C and revise the list as appropriate.

V. Report from Academic Programs: Pat Jepson discussed the recent general catalog revision pertaining to residency requirements. The CANR 36 credit rule is essentially more restrictive. Departments and programs may have additional requirements. The CANR requirements need to be clarified and a motion will be forthcoming.

VI. Other Business. Members expressed interest in meeting at 1 pm on a regular basis in the future.

VII. Meeting adjourned 1:30 pm Next meeting is November 4, 2011 at 2 pm.
