IV. Report from Academic Programs:

M. Ridder informed the Committee of the development of a dual major program in which students could receive degrees from any two University departments upon completing 120 credits and all degree requirements of the departments and colleges involved. No changes to double major program are involved; to double major, students still need 150 credits in addition to completing all other requirements.

V. Other Business:

J. Vokoun described recent developments regarding the establishment of a skill code for environment-related coursework.

VI. Time and Place of next meeting. 1330h 5OCT18, WBY 209

VII. Adjourn @ 1447h
