ANSC 3343	Animal Food Products	3	_____	_____

- At least 12 credits must not duplicate courses used in the student's major, or in other minors in the College of Agriculture, Health and Natural Resources.
- Students must earn a grade of "C" (2.0) or higher in each individual course listed above.
- Students must earn a combined grade point average of 2.5 or higher for all courses listed above.
- Students must complete all requirements for a baccalaureate degree. Once the minor has been declared, it will appear on the student's transcript.

MINOR ADVISOR: For more information on the minor, approval signature to declare the minor, or approval signature on the final Plan of Study for the minor, please contact Dr. Gary Kazmer at gary.kazmer@uconn.edu or 860-486-2413.

DECLARATION PROCEDURES: Students who wish to declare the minor prior to graduation must obtain the minor advisor's signature below and submit this form to the CAHNR Academic Programs Office (Young 206). Students may also choose to declare the minor when they submit this form as their final Plan of Study to the Registrar after having completed and/or enrolled in all of the required courses for the minor. Students can also add a minor electronically by visiting ppc.uconn.edu

FINAL PLAN PROCEDURES: Students who plan to graduate with a minor in Animal Science must complete the requirements as outlined above and submit a copy of this form to the Registrar along with their final Plan of Study for their major or submit a final plan of study through [Student Admin](#).

APPROVAL: Please check the appropriate box/es below:

- Declaration: Student has discussed minor requirements with minor advisor.
- Final Plan: Student has met with advisor and confirmed that all requirements for this minor have been completed, or will be completed, in order to be eligible for a minor in Animal Science upon graduation.
