

# UCONN | COLLEGE OF AGRICULTURE, HEALTH AND NATURAL RESOURCES

## PLAN OF STUDY FORM Catalog Year 2021-2022 ALLIED HEALTH SCIENCES

### DIRECTIONS

---

- This Plan of Study (plan) is used as a *worksheet* during initial registration and every subsequent semester to determine minimum requirements and progress toward completing the degree. A *preliminary plan* is developed and submitted to the advisor by the end of the sophomore year (or equivalent time for transfer students).
- **A final plan must be approved by advisor and the department head, and submitted to the Degree Auditor in the Registrars Office (1<sup>st</sup> floor, Wilbur Cross Building) no later than the end of the tenth week of classes of the semester prior to the anticipated semester of graduation.**
- Students must complete all major and general education course requirements and earn:  
**At least 120 credits toward the degree**  
**At least a 2.0 Cumulative Grade Point Average (CGPA)**  
**At least a 2.0 Grade Point Average for ALL courses listed in the 36 Credit Requirement**
- University of Connecticut General Education Requirements (GER), are outlined in the Academic Regulations section of the *Undergraduate Catalog*. Only approved courses may be used to meet requirements.
- Students should use their Academic Requirements Report (accessible in Student Admin) along with the Plan of Study to view their graduation requirements and assess status toward degree. Students must be attentive to credit restrictions (repeated courses, out of sequence classes, etc.). Courses taken Pass/Fail may NOT be used to meet any requirements.

### STUDENT AND DEGREE INFORMATION

---

Must be filed out complete on your final plan of study.

Select One:

Preliminary Plan

Final Plan

Name \_\_\_\_\_ Student I.D.: \_\_\_\_\_  
First Middle Last

Phone #: \_\_\_\_\_ Email Address: \_\_\_\_\_

Current Address: \_\_\_\_\_  
Street City/Town State Zio Code

Month and Year of Anticipated Graduation:  May  August  December Year: \_\_\_\_\_

Are you pursuing a double major in CAHNR:  Yes  No If YES, submit Double Major Attachment with final plans of study

Please list below any minors that you plan to earn and submit a final minor plan of study with your final major plan of study.

---

At the completion of semester you intend to graduate, will you have earned 120 or more credits?  Yes  No

**Information Literacy Competency:** See major requirements

# ALLIED HEALTH SCIENCES

## **PART II: CONCENTRATION REQUIREMENTS OF ALLIED HEALTH SCIENCES MAJOR<sup>1</sup>**

Allied Health Sciences majors must complete requirements for the standard plan or a concentration. In some cases concentration requirements can also meet general education requirements (Part I).

*Note: While the major allows different chemistry sequences and math levels to meet program requirements, chemistry sequence and math level taken will be dependent on career goal and graduate program admission criteria. It is the student's responsibility to consult with their advisor for appropriate courses to complete this requirement.*

**\*\*Course used to satisfy science electives cannot be courses used for other program requirements (i.e. BIOL 1107, CHEM, NUSC 1165 etc.) or courses used to satisfy the 36-credit major requirements (Part III).**

### **Standard Plan (no concentration)**

<b>Pass ALL of the Following</b>	<b>Semester/Year</b>	
AH 1100	_____ / _____	(must be passed with a grade of C or better).
BIOL 1107	_____ / _____	
CHEM 1122 or 1124Q or 1127Q	_____ / _____	
CHEM 1125Q or 1128Q or PHYS 1010Q	_____ / _____

## ALLIED HEALTH SCIENCES

### PART III: 36 CREDIT 2000 LEVEL and above REQUIREMENTS OF ALLIED HEALTH SCIENCES MAJOR

Students are required to successfully complete a group of 2000 level or higher courses. This group of courses must:

1. Total not less than 36 credits
2. Be numbered 2000 or above
3. Be approved by student's advisor and department head
4. Be taken at the University of Connecticut<sup>2</sup>
5. Include two or more departments
6. Include at least 18 credits from departments in the College of Agriculture, Health and Natural Resources
7. Must be completed with a grade of C (2.0) or better
8. Not include more than 6 credits (combined) of Independent Study, Internship, Research, International study, or Field Studies (if included, these courses must be taken at the University of Connecticut)
9. Not be taken on Pass/ Fail (P@ / F@)
10. Not include more than 6 credits of Satisfactory/Unsatisfactory (S/U) coursework
11. Can include up to but no more than 8 credits from courses used to satisfy requirements for a minor.

<sup>1</sup>Courses taken on Pass/Fail may NOT be used to meet any requirements.

<sup>2</sup>**Residence Requirement.** It is expected that advanced course work in the major will be completed at the University of Connecticut. However, students may be eligible to use up-to six credits from other institutions in the 36-credit group if approved by their advisor and department head. These credits must be identified as courses comparable to specific University of Connecticut courses and cannot include internships, special topics, or non-specific discipline credits. Transfer students must complete at least 30 credits of 2000-level or higher course work at the University of Connecticut, including at least 18 credits in College of Agriculture, Health and Natural Resources courses.

**Students are required to meet the 36 credit requirement as indicated below to satisfy both the Allied Health Sciences major and their intended concentration (if applicable). Please note: course requirements vary by concentration.**

**GROUP A: CAHNR Course work** (minimum 18-21 credits 2000-level or above depending on concentration):  
 Courses must be from departments *within* the College of Agriculture, Health and Natural Resources (\*CAHNR subject codes include: AGNR, AH, ANSC, ARE, DGS, DIET, HORT, KINS, LAND, MLSC, NRE, NUSC, PLSC, PVS, SOIL, SPSS, and TURF). However, course requirements vary by concentration as indicated in Groups A-1, A-2 and A-3.

**Concentration:** \_\_\_\_\_

<b>A-1) Pass: writing in the major courses</b> (varies by concentration)	<b>Dept. &amp; Course</b>	<b>Credits</b>	<b>Sem./Year</b>
<u>NOTE: Courses must be taken concurrently.</u>			
	AH 4239	_____	_____ / _____
	AH 4240W	_____	_____ / _____

_____	_____	_____	_____ / _____
_____	_____	_____	_____ / _____
_____	_____	_____	_____ / _____

Concentration in **Public Health and Health Promotion:** 5 credits (or 2 courses). *Course options vary by concentration.* Refer to last page for course options by concentration.

<u>Subject Code</u>	<u>Course Title</u>	<u>Credits</u>	<u>Sem./Year</u>
_____	_____	_____	_____ / _____
_____	_____	_____	_____ / _____

## ALLIED HEALTH SCIENCES

- Concentration in **Occupational and Environmental Health and Safety**: 6 credits. *Course options vary by concentration.* Refer to last page for course options by concentration.

**A minimum of 6 credits of the following:**

<u>Subject Code</u>	<u>Course Title</u>	<u>Credits</u>	<u>Sem./Year</u>
AH 3173, 3175E, 3275	_____	_____	_____/____
	_____	_____	_____/____

**GROUP B: RELATED COGNATE Course work** (minimum 15-18 credits 2000-level or above depending on concentration).

Related courses should be appropriate for career goals in the health professions and logically add breadth and depth to a concentration. Students are advised to meet with their faculty advisor to determine appropriate courses. NOTE: Students may take additional AH and CAHNR or other courses to meet Related Cognate requirements provided the course(s) is not used to meet other major requirements (i.e. Part II Science elective or Group A), cannot include more than 8 credits of courses used to satisfy requirements for a minor; may include up to 6 credits (combined) of Independent Study, Research, Internship, or International Studies courses and must be approved by the advisor and department head on the final plan of study.

- Standard Plan** (Minimum of 18 Credits)

<u>Subject Code</u>	<u>Course Title</u>	<u>Credits</u>	<u>Sem./Year</u>

## Course options to meet Group A-3 CAHNR course requirements

- Courses used to meet the Group A-1 or A-2 requirement cannot be used to meet the Group A-3 requirement.
- Courses on these lists may be used to meet the Group B requirement if not used to meet any Group A requirement.
- Other CAHNR courses may be used to meet this requirement with advisor and department head consent. Potential courses must be related to the major and career track. Please be advised that approval of alternative courses is not guaranteed and should not be expected.

\*\*Students are advised to meet with their faculty advisor to determine appropriate courses.

### Standard Plan:

AH 3000, 3005, 3021, 3025, 3101, 3121, 3133, 3175E, 3203, 3234, 3302, 3303, 3320, 3571, 3574, 4092, 4225, 4242, 4243, 4244, 4297W, 4501, 4503  
DGS 3226, 4234, 4246  
DIET 3230  
KINS 4500, 4510

### Healthcare Administration concentration:

AH 3000, 3005, 3278, 3303, 3571, 3574, 4243, 4244, 4297W, 4501  
ARE 4275  
DIET 3230

### Public Health and Health Promotion concentration:

AH 3000, 3021, 3025, 3101, 3133, 3203, 3234, 3302, 3303, 3320, 3570, 3571, 3574, 4225, 4242, 4243, 4297W, 4501, 4503  
DIET 3230  
NUSC 2200, 4250

### Occupational and Environmental Health and Safety concentration:

AH 3173, 3175E, 3275

---

**Specialty courses: May be used to meet the Group B Related Cognate requirements.** Students may use a maximum of 6 credits *combined* from courses listed below to meet this requirement with advisor and department head consent. Courses require submission of forms and approval signatures prior to registration.

Allied Health Sciences majors – standard plan and all concentrations:

<u>Subject Code</u>	<u>Course Title</u>
AH 3091	Allied Health Internship
AH 3099	Allied Health Independent Study
AH 2093	International Study in Allied Health
AH 4093	International Study in Allied Health (for advanced level courses)
DIET 3099	Independent Study for Undergraduates (Dietetics focus)
DGS 3099	Independent Study for Undergraduates (Diagnostic Genetic Sciences focus)
MLSC 4099	Independent Study for Undergraduates (Medical Laboratory Sciences focus)
AH 3289	Research in Allied Health Sciences
AH 4289	Honors Research in Allied Health Sciences

Allied Health Sciences majors – Occupational and Environmental Health and Safety concentration only:

OSH 3299	Independent Study
OSH 4291	Occupational Safety and Health Internship
